

Solar Probe Plus (SPP) Investigations AO Pre-Proposal Conference

Introduction and Logistics

**Dr. Lika Guhathakurta
Solar Probe Plus Program Scientist**

**Science Mission Directorate
NASA Headquarters**

January 7, 2010

Solar Probe Plus (SPP) AO Team

Headquarters

Dr. Lika Guhathakurta - Program Scientist

Dr. Paul Hertz – Chief Scientist

Dr. Richard Fisher - Director, Heliophysics Division

John Lee - Program Executive

Paula Geisz - Export Administrator

Chris Giulietti - External Relations

Langley Research Center

Cindy Daniels - SPP Acquisition Manager

Goddard Space Flight Center

Tom Venator - SPP Mission Manager

NASA Research and Education Support Service

Susan Borden

Agenda

8:00	Registration	
8:30	Introduction and Logistics	Dr. Lika Guhathakurta (NASA HQ)
8:35	Opening Remarks	Dr. Richard Fisher (NASA HQ)
8:45	Living With a Star Program	Dr. Lika Guhathakurta (NASA HQ)
9:00	LWS Program Schedule	John Lee (NASA HQ)
9:15	SPP AO Evaluation & Selection	Dr. Paul Hertz (NASA HQ)
9:45	SPP Science Evaluation	Dr. Lika Guhathakurta (NASA HQ)
10:15	TMC Evaluation	Cindy Daniels (NASA LaRC)
10:30	International Agreements	Chris Giulietti (NASA HQ)
11:00	Export Control	Paula Geisz (NASA HQ)
11:30	Q & A	Dr. Lika Guhathakurta (NASA HQ)

General Information

- Q&A
 - Every attempt has been made to answer questions received by December 30, 2009; answers will be placed on the SPP AO acquisition page and/or will be incorporated in the presentations
 - To save time, please do not repeat questions you have already asked unless you need clarification on the answers
 - New questions will be answered after the preproposal conference
 - SPP AO acquisition page <http://lws.larc.nasa.gov/solarprobe/index.html>
- Recording or soliciting
 - No recording of the conference by attendees is permitted
 - NASA will post conference presentations and Q & A's on the SPP acquisition page after the conference
 - No soliciting or distribution of material by vendors is permitted during the conference
